PASTOR'S PERSPECTIVE

The gospel text for the last Wednesday's Supper Worship we offered, prior to our Lenten break, was Matthew 17:1-9, Jesus' transfiguration. Instead of reading the story from the Bible, I showed a cartoon, video version of the story (www.youtube.com/watch?v=KfT5mInsr9A). It was cute and we laughed as the frightened disciples fell to the ground when God the Father spoke from the cloud. Following the transfiguration video, we listened to the song, "Listen to Jesus" (www.youtube.com/watch?v=wkz3DMvA7zA). It's a fun, lighthearted song sung by children with a man singing the voice of God "This is my Son, the Beloved One, listen to Him." The innocent voices of the children carry us along on their sweet, melody. The lovely song concludes with the words, "You are the Son, the Beloved One, we'll listen to you." During the sermon we discussed that "listening" is easy. However, we further discussed that though listening is easy, the following/obeying was difficult. We came up with numerous reasons why following the way of Jesus is difficult; "fearful, countercultural, and don't want to" were some of our responses. The season of Epiphany concludes with Jesus radiating the glory of God ~ an epiphany of Jesus' divinity. The season of Lent begins as Jesus descends the mountaintop and heads to Golgotha.

I grew up Lutheran, but my family did not participate in the practices of Lent. We didn't go to Ash Wednesday worship (it was the Catholics who came to school with their foreheads dirtied with ashes. Yup, it looked like a big smudge mark. That's the deepest I understood Ash Wednesday). My family did not attend any mid-week Lenten services. We attended Sunday worship and when it came to Holy Week, we went straight from celebrating on Palm Sunday to celebrating on Easter Sunday. Lent for me basically began with a dirty smudge, not eating chocolate for several weeks, and concluding with finding a basket filled with chocolates prior to attending Easter worship.

It was not until I was older, did I understand that the smudge was the mark of the cross representing our sinful, mortality. Yet, marked with the cross we know that our mortality is not the end. On Ash Wednesday we will hear from St. Matthew (6:1-6, 16-21) more teachings of Jesus from his Sermon on the Mount. These teachings about alms giving, praying, and fasting are ways that draw us closer to God. Intentionally incorporating these practices in our daily life, particularly in Lent, opens us up to the power of the whisperings of God. As our relationship with God strengthens, we find that our courage to follow/obey also strengthens. I invite you to take this Lenten season seriously and faithfully practice at least one act (alms giving, praying, fasting) during this six-week journey with Jesus to the cross. Through your chosen act, see how your listening to God's Son, the Beloved becomes more astute. Through your chosen act, see how your relationship with God strengthens. Through your chosen act, see how you become bolder in your courage to live the way of Jesus. Jesus is now headed to the cross. May Jesus find us following him as he listens to the Father and has the courage to die and rise for each of us.

Your sister in Christ,
Pastor Maureen

A TIME OF GIVING

As you all know, the ministries here at Bethany would not be possible without you and your financial support. Your continued support has allowed us to close the door on 2022 without having to stray from doing God's work through our ministries. We ask that you continue to prayerfully consider what you can give so that we can carry on with our ministries into the new year and beyond. Thank you.

Bethany Cares at Easter

It's that time of year again – our chance to make a direct and positive impact on individuals/families in need within our own and the surrounding communities. Not only have we delivered Easter “baskets” (actually boxes) to people in Iowa Falls in the past, we have also delivered to Popejoy, Alden, Buckeye, and Hubbard. For those not familiar with this project, I thought I'd take the time to explain what it is and what happens. The recipients of these boxes are determined from past years' lists, yearly contacts/updates with local school nurses and counselors for other families they feel should be added, suggestions from congregation/community members, and people requesting this gift for themselves. Once we have our list for the year, we then reach out by phone call to the families to ensure that they wish to accept the box(es). Later, we arrange a delivery time with them (to occur the Thursday, Friday, and sometimes Saturday before Easter). Volunteers purchase, package, and deliver the boxed items directly to the recipients' doorsteps with a smile. Personally, I love making deliveries, as you are met with gratitude, appreciation, and sometimes a hug request.

This year, our list is already at 151 families with at least 48 of these families consisting of 5 or more people (those with 5 or more in their family have received double the items in the past). This list has not yet been finalized; therefore, it is likely to grow, as congregation and community members may provide further additions. The following is a list of what a family of 1-4 people has received in the past: large ham, 5 pounds of potatoes, canned peaches, pears, corn, and green beans, peanut butter, box of instant oatmeal, loaf of bread, fresh fruit, 1 dozen eggs, 1 pound butter, ½ gallon 2% milk, ½ gallon orange juice, 4-pack toilet paper, paper towel roll, box of facial tissues. Again, those families of 5 or more people, have received double this amount. In the beginning years of this project, specific food and non-perishable donation requests were made to be brought in, but now that the project has grown immensely, we ask only for monetary donations to purchase the items and to ensure uniformity in what is included in those boxes.

How can you be a part of this project?

As you can imagine, this is a heartfelt and worthy, but also a costly and labor-intensive project. We are grateful that Church Women United has donated \$3,000 towards this project this year. Our challenge to the Bethany congregation is to match or surpass that donation. Please consider a monetary donation to help us reach our goal. Be sure to note “Bethany Cares” in the memo line on your check to ensure that the money is directed to the Easter “baskets”. We also are in need of volunteers to make phone calls to reach out to the families and find out if they are interested in receiving a box(es), as well as volunteers to make deliveries. There will be signup sheets at the Narthex desk for these. You can sign up there or let Brenda know if you are able and willing to make phone calls or deliveries. Finally, if you know of anyone that could benefit from this and should be added to our list of recipients, please reach out to Brenda with that information, as well. March 20th is the deadline for names to be added to our list. Thank you for your consideration to contribute to Bethany Cares at Easter. If you have any questions, feel free to reach out to Darla Sharar.
